

As an Indiana Citizen, I want to speak out against proceeding 02-278. I am very satisfied with our State's Do Not Call Law, and know that the effectiveness of this law will be diminished with preemption from the federal law. Please do not allow proceeding 02-278 to pass. It is wonderful not to have the phone ring all times of the night from telemarketers. It would be a shame to allow proceeding 02-278 to pass.
